

PUBLIC NOTICE

Notice of Availability of the Environmental Assessment (DRAFT EA) For the Garden Villas Community Association, Inc. (GVCA) Lattice Tower Construction Harris County, Texas A GVCA Project

Interested persons are hereby notified that the Garden Villas Community Association, Incorporated (GVCA), a Non-Profit 501c4 Corporation has applied to the Federal Communications Commission to construct a communications/broadcast tower. The GVCA proposes to construct a free-standing hundred (100) foot antenna tower at 6905 Dillon Street, Houston, Harris County, Texas 77061. The geographic coordinates are 29-39-08.9N, 095-18-28.8W.

The proposed tower will be used to support the transmission antenna for Radio Station KHGV-LP FM, as well as an antenna in support of amateur radio operations. The station has been operating continuously since May 4, 2015, and is currently operating from an antenna located at the same property. Raising the antenna to the height of 100 feet will allow the station to better serve the community and thus serve the public interest, convenience and necessity.

In accordance with the National Environmental Policy Act (NEPA) of 1969, this DRAFT EA was prepared to assess the potential impacts of the proposed action on the human and natural environment. The EA summarizes the purpose and need, alternatives, affected environment and potential environmental consequences for the proposed action. The DRAFT EA is available for comment and can be viewed and downloaded from the GVCA website at www.gardenvillas.org. The EA can also be viewed at the station location at 6905 Dillon Street, Houston, Texas 77061, through appointment only, Monday through Friday 9:00AM to NOON and 1:00PM to 4PM.

The comment period will end thirty (30) days from the initial notice publication date of April 5, 2018. Written comments on the DRAFT EA can be mailed to the contact below. If no substantive comments are received, the DRAFT EA will become final and a finding of NO Significant Impact (FONSI) will be issued for the project. Substantive comments will be addressed as appropriate in the final documents.

KHGV-LP FM Radio Station
